

### Hunter 34—1984 \$32,000

Contact: Joe Werkmeister 631-766-8009

While I've been stating for several years that this would be my last boat, I have fallen in love with a new boat and have somewhat reluctantly decided to put *Polaris* up for sale. This boat has nearly everything a cruiser could want as you will see from the list of upgrades that I have done since purchasing her in 2016. I can provide receipts for nearly everything listed below and I know every nook and cranny well and can provide a very detailed walk through. She is berthed at Sunset Harbor in East Patchogue and I am available pretty much anytime to show her.

#### 2017

- New Selden roller furler – Standing and running rigging professionally inspected
- Installed 7 " B&G MFD
- Installed Echomap three way transducer (Speed, depth and water temperature)
- Replaced starter
- Installed Raritan electric head with flush mounted multi-function controller

#### 2018

- Replaced raw water strainer
- Installed beginning of NEMA 2000 network
- Installed B&G autopilot (SD10 below deck drive, NAC2 controller, Precision 9 compass and WR10 hand held remote controller)

#### 2019

- Replaced wood compression post with 2.5" pipe
- Replaced plumbing with pex
- Un-stepped mast and replaced all wiring and added two new halyards and two new head sail sheets. Originals halyards in place as spares. Added LED steaming, deck light, solar powered LED anchor light, new VHF antenna and B&G WS310 wind vane. All wiring goes directly to the DC panel with a loop provided under the settee for future connectors if un-stepping becomes necessary. Stripped, primed and painted the mast.
- Replaced cabin lights with LED
